

# SORTED INTERNATIONAL MAIL

## A Prioritaire

With Sorted International Mail you can send letters worldwide. If the content of the letters is other than documents, you must use the service, PostNord Tracked. The prices for Sorted International Mail are VAT except, and dependent on the specific format and weight of the letter item, the price can be higher than the ordinary list prices for Letters (A Prioritaire). The reason for this being that the cost base differs from country to country.
